

WE ARE IN IT FOR THE LONG RUN

At AHS®, we go the extra mile to take care of your clients after you've worked so hard to close the deal.

- A detailed contract package with coverage, contract information, wallet cards and other information is sent to the customer within 2 weeks after closing.
- When your clients place a service call, they will receive an e-mail notification, the contractor's contact information and a follow-up after each repair or replacement.*
- E-newsletters and seasonal home maintenance notifications show value in the AHS® Home Warranty.* AHS is not a run-and-hide company. We want customers to see the value in AHS and use their warranty.
